## MY POINT OF VIEW

### **Good Afternoon All.**

A warm Boxing Day welcome to Tony Waddington and his very improved Crewe Alexandra side. Just recently they have slipped from a seem-

ingly good position but Tony has had to put up with injuries to star players such as John McMahon and Peter Coyne. One thing is certain, however, things have greatly improved since the former Stoke City chief joined the "Alex".

### **Crewe Away**

At the time of going to press I don't know the Wimbledon result, but we certainly moved on the right lines with our win at Crewe. That was a real good win for us because we had never previously won there, and perhaps this will prove to be a good

omen. Let us hope we can keep in touch with a few good wins over the festive season, and with the injuries progressing, perhaps the 1980-81 season will finish on a good note after all.

### **New Year Greetings**

I would like to take this opportunity of wishing all our loyal fans a really happy New Year. I hope and trust we can give you the success and entertainment you deserve.

Enjoy today's match.

## GREAT NAMES FROM THE PAST

BY HAROLD ASHURST

CONTINUING the famous personalities in that outstanding team of the early 1950's brings us to one of the best-remembered players probably ever to don a Latics shirt — centre forward Billy Lomax.

Billy was a discovery of Army football, since, prior to joining the forces, he had never played for any junior club. After serving in the Paratroopers, taking part in the landing at Arnhem and seeing service in Sicily, Italy, Africa and Germany, Billy joined Lancashire Combination side Netherfield on his demob and made a sensational debut, scoring four goals. He scored 14 goals for Netherfield in just seven matches before stepping into League Football with Carlisle United. He stayed there until 1946 when he

joined Macclesfield Town. In his stay with the Silkmen which lasted two and a half seasons he scored 90 goals.

Billy joined Latics in the 1949-1950 season and that season scored 42 goals. The following season he netted 54 times and registered eleven goals in 1951-1952 before he was transferred to Nelson.

It was in his second spell though that Billy really hit the goalscoring heights with Latics. He was signed by Ted Goodier at the beginning of the 1952-1953 Season and was second highest scorer with 35 goals. In the 1953-1954 season he was joint top-scorer with Jack Lyon and Jack Livesey when each player claimed a staggering 40 goals.

As a centre forward Billy Lomax was perhaps the most efficient goalscoring "machine" Wigan ever had. He was only a small man, worked at Bickershaw Colliery as a coalminer and lived at Aspull, where he still resides today. But goals were Billy's business and while he was in his second spell with Latics he set up records galore.

In October, 1953, he scored five goals against Hyde United in a match at Ewan Fields and thus became the first man in Latics' history to score 150 goals for the first team, beating the previous best of 131 by Horace Thomas.

Of course, Billy was a member of the famous FA Cup side that played Newcastle United at St. James's Park and it is that match that throws out a delightful story about Billy which I am assured is accurate and true.

As the Wigan team were in their dressing room before the big game the door opened and the Newcastle United centre half, a giant of a man by the name of Frank Brennan, walked in and said: "Who's your centre forward?" Billy stood up and said: "I am. Why?" To that Brennan retorted: "You had better get ready, because you are not going to even see the ball today". At the end of the game (Latics drew 2-2) Brennan came to Billy, shook his hand and said: "I've never played in a game like that, you were great". Billy's career with Wigan Athletic ended in 1954 and he left Springfield Park failing by only 14 goals to record a double century for the first team. He will be long remembered.

KENNY FREEMAN, Steve Silcock and Mark Wignall are three lads who have come through from the Youth Team to make their mark in the reserves. Kenny, a full back with two good feet, is equally at home at right or left back and has improved tremendously in the past year. He also likes to attack and his overlaps are a main feature of his play. He hails from Skelmersdale, attends a Teacher Training

College and like Steve Silcock has gained county honours.

Steve, a local boy, is a central defender who this season has also played well as a defensive midfield player. Although not a giant "Silky" is a very strong player and his tackling is definitely one of his best assets. Steve works at Leyland Motors, which is good because it means he is not tired when he reports for training in the evenings!! He is a very enthusiastic trainer and has worked very hard on his weaknesses since coming to Springfield Park and is developing into a very good player.

Mark Wignall is a midfield player from Bamber Bridge near Preston. He began his career at Blackpool but moved to Wigan at the beginning of last season as an apprentice. He is not a big lad but is very well built, is neat and tidy on the ball and a firm tackler. Mark got a couple of little run-outs in the first team in the pre-season friendly games, coming on as substitute, and showed up well. He has suffered a bit with injuries this season but hopefully these are now all behind him.

IT IS ALWAYS a pleasure to be able to sincerely express one's thanks to someone who has performed some action worthy of appreciation. The magnificent job done by our agents in launching the sale of our new Astra Soccer ticket must be publicly acknowledged. Of all the fund-raising activities with which I have been connected on behalf of the Wigan Athletic Football Club, the sales' returns from this new venture have been by far the most successful. Our Springfield Rose ticket, our Christmas Draw tickets, our previous bingo and lottery tickets, all received the support of the buying public, but none achieved the 94% sales' figure recorded by our new ticket. If this encouraging start can be maintained, and, if our Springfield Rose ticket can hold its ground, we must have great hopes for what is to come in the New Year. It can only be for the long term benefit of the Wigan Athletic Football Club that new sales are being made even though the economic state of the country continues to deteriorate. Keep up the good work, for, as I have written so many times previously, with your help we can build an even better Wigan Athletic, whose achievements will one day realise the dreams of our ambitious supporters.

We are delighted to acknowledge the sponsoring of today's game by Bridge and Sons (Wigan) Limited, who hope you will recall that, on the last occasion they supported a game against Peterborough United on the 5th April, 1980, Wigan Athletic came through to a convincing victory. Our sponsors look forward to a similar result on this

festive occasion and would remind you all of the services they offer in structural steelwork, supply and erection for commercial and industrial buildings. During the close-season they undertook the first phase of the club's plan to upgrade the stand accommodation, with the provision of a new access for the directors, to conform with the requirements of the F.A. and Football League, and to the Directors' Suite. This ensures that visitors to Wigan may be received in a fitting manner. Your enquiries will be welcome at Seven Stars Forge, Wallgate, Wigan, Telephone Wigan 43732/42248. The company is represented at today's game by Mr. J. R. Bridge, Managing Director and Mr. J. F. Lyon, Technical Director.

The match ball for today's game has also been donated by a very good friend of the club, Mr. Frank Phillips, Building Contractor, of 67 Leyland Green Road, North Ashton, Near Wigan, Telephone Ashton-in-Makerfield 77454. Recently completed dwellings at the Cheethams Farm Estate, at Blackrod, bear testimony to the quality workmanship of Frank's company.

To all these friends of the Wigan Athletic Football Club, we express our gratitude and hope that today's game proves even more enjoyable for our loyal season ticket holders.

Enjoy your break from routine activity this Christmastide, and, in particular, today's holiday fixture with our friends from Crewe Alexandra. All best wishes.

**Jack Sudworth**, Commercial Manager.

Dear Readers,

Springfield Park, Wigan. 16th December, 1980.

Although we do our best to avoid controversial issues concerning individual personalities, perhaps, at this season of goodwill to all men, this weeks contribution is most timely. Mr. Ramsdale will receive his complimentary ticket for the Southend United game in due course. Meanwhile, on behalf of the Commercial Department, I would like to wish all our supporters, subscribers, and casual readers, the compliments of the season. We trust that 1981 will bring you and your loved ones great joy and contentment.

Yours sincerely, J.T. Sudworth, Commercial Manager.

Dear Sir,

23 Margaret Street, Wigan.

I was extremely angry at the "so called" fans barracking and chanting for Ian McNeill's head on Saturday, 6th December, after the disappointing 1-1 result against Scunthorpe United. I wonder how many of them would have challenged Ian on their own.

Good heavens, some of those fans must have very short memories:-

Who brought Latics into the League? IAN McNEILL.

Who guided them to a place in the top six of the Fourth Division in 1979? IAN McNEILL.

Who got Latics to their record Fourth Round of the F.A. Cup versus Everton? IAN McNEILL.

And now, because of injuries to key players which caused this disappointing **START** to this season, poor Ian is under a lot of pressure from the fans, who don't recall that if it wasn't for Ian McNeill, Wigan Athletic would not be on the football map. **THE FANS OF WIGAN ATHLETIC OWE IAN A LOT.**

Finally, on behalf of myself, and I am sure five thousand loyal fans, I wish Wigan Athletic the best of luck with the rest of this season's games. I wish Ian, yourself, the Board and most important of all, the players, a very happy Christmas and an extremely prosperous New Year.

Yours loyally, B. Ramsdale.

THIS afternoon we are pleased to welcome the directors, management, staff and supporters of the Crewe Alexandra Football Club to Springfield Park for what we hope will be a most enjoyable festive fixture.

Previous encounters between Wigan Athletic and Crewe Alexandra have always been closely fought, with both sides competing keenly for the points at stake or the privilege of progressing a stage further in the Football League Cup. As will be observed from the inset panel, of the five league fixtures played to date, Wigan Athletic have won the day on three occasions, Crewe Alexandra on one occasion, and one game has been drawn. In the Football League Cup earlier this season, after a grand struggle, Wigan Athletic were narrowly victorious over the two legs. However, what is past is past, and with both the "Railwaymen" and the "Latics" now in mid-table, it is very important for both sides to gain the points at stake in today's game and to push upwards in the League as the season enters its second phase.

The Crewe Alexandra Football Club, under Tony Waddington's astute management, has shown great spirit this season, and their many friends in football are hoping that the promise shown so far can be maintained in the weeks ahead, thus giving the Cheshire side the boost which it has striven so hard to achieve. The road, over the past few years, has been hard for the "Railwaymen", so perhaps it is now time for

their loyal supporters to look forward to an encouraging spell of success.

Whatever the outcome of today's game, we wish our visitors well, not only for this season of good cheer, but also for the immediate future and what comes beyond.

I have been told by many Senior Citizens about the fantastic night they had in the club at the Senior Citizens' Christmas Party on Monday, 15th December. Also a very big thank you to everyone else who helped to make the night a big success. A special thank you to K. Townley and his merry band for decorating the club and the Christmas trees. May I remind you again about opening hours and artistes.

Enjoy today's game.

FOURTH Division transfer activity recently reached a seasonal peak when "Want-away" striker Terry Austin of Mansfield Town, and formerly with Crystal Palace and Ipswich Town among others, signed for Third Division Huddersfield Town. The £120,000 transfer fee paid to the "Stags" constituted a club record for Huddersfield Town.

Having spent a short trial period at Belle Vue, midfielder Carl Swan signed for Doncaster Rovers from non-league Burton Albion for an £8,000 fee. Swan, son of former England star Peter, made his mark in his first-ever outing for his new club, scoring in their 2-1 victory at A.F.C. Bournemouth.

Hereford United, made another swoop into the transfer market to snap up two players who caused Wigan Athletic several anxious moments last season. After spending some time considering the move, Joe Laidlaw and Derek Showers both opted to give up their fight for a first-team place at Third Division Portsmouth, and decided instead to try their hand at Edgar Street. The pair went to the West Country for the bargain, combined price of £28,000.

With clubs cutting back on staffing levels, injuries to players have tended to make room for youngsters to make their debuts. One such example was at Port Vale recently where 19 years old Kevin Glendon made his first appearance in Crewe Alexandra colours.

Once more the F.A. Cup has proved an acute embarrassment to several Fourth Division clubs, who have tumbled out to non-league opposition. Take

Hereford United, for instance, they did what no one before them had managed to do — beat Southend United at Roots Hall in the First Round. Then they travelled to Enfield, minus Laidlaw and Showers who were both cup-tied, and went down 0-2. Sadly for Scunthorpe United, they also failed to dispose of cup giant-killers Altrincham and went down in the replay 0-1 at Moss Lane on Monday evening.
